Letter of recommendation for Vijeth Jaya Karkera

To whom it may concern,

Vijeth Jaya Karkera is an active member of our ISKCON congregation in Brisbane, Australia, and has been a practising member of ISKCON throughout his life. He is also an alumnus of the Sri Mayapur International School in ISKCON Mayapur, West Bengal, India.

After his schooling, Vijeth served as a member of ISKCON in India until 2018 and then moved to the ISKCON centre in Sydney, Australia. He subsequently transferred to Brisbane where he prepares sacred food which is distributed to the public.

I am not aware of any instances where Vijeth has been involved in or accused of misconduct. In my experience he is an honest and kind person.

If you require additional information, please contact me at janardan.das@gmail.com.

Kind regards,

Janardan Dasa
